

HMSHost International is part of one of the biggest hospitality companies in the world, serving over 900 million people every year. Our mission is to take care of people on the move. You'll find us in busy airports and travel venues across the globe. Every day, we provide travellers with unique food and beverage experiences and exceptional customer service. Our associates are key to our success. All HMSHost associates are trustworthy, caring, hardworking, bring something personal to the team, and understand that fun and work go hand in hand.

HMSHost Schiphol, HMSHost The Netherlands and HMSHost International offer many opportunities for internships. These internships can either be on operational or management level. We also offer internship locations abroad: Vietnam, Malaysia, Bali, Ireland, Finland and Norway.
